

# Master Your Money

Now you can master your money by learning to submit your finances to the Master of all, Jesus Christ. When you do, you'll experience true financial freedom as a manager of everything God entrust to you. By integrating Scriptural insight and sound financial expertise, this module will give you understanding and joy in mastering your money.

The coursebook includes note pages, all the charts and working forms you need to organize and plan your finances, plus other features to help you understand and apply the key principles. This course consists of six sessions:

Session 1: How much is enough?

Session 2: Putting the magic of compounding to work

Session 3: Planning for your financial future

Session 4: Finding money you never knew you had

Session 5: Managing your cash flow

Session 6: Don't miss the miracle
